VERSACE

CERAMICS

Versace Ceramics extends the brand's iconic fashion philosophy into the realm of interior design, transforming living spaces into luxurious sanctuaries. Each tile embodies the brand's signature style, featuring intricate patterns, rich textures, and exquisite finishes that mirror the high fashion ethos of Versace. These ceramics are not just building materials but statements of art, offering homeowners a way to infuse their environments with the same bold elegance and attention to detail found on the runways.

ONE
SKY PARK

JVC: The Hub Of New Dubai

One Sky Park emerges as a landmark in Jumeirah Village Circle (JVC), proudly standing as the first branded skyscraper in this prestigious community. It introduces a new era of luxury, redefining the skyline and setting a benchmark for upscale living in JVC. Its prime location in new Dubai offers unparalleled access to key destinations like the Marina, Mall of the Emirates, and Miracle Garden, making it a beacon of elegance and a new icon in the heart of JVC.

One Sky Park featured by Versace Ceramics includes two towers that embody a seamless blend of luxury and functionality. Tower A provides exclusive amenities spread across multiple levels, while Tower B, the taller of the two, with 37 floors, is crowned with opulent penthouses. The building's design showcases a dynamic structural expression that elevates the living experience to new heights.
